

Pale Horse Released In Egypt

THE MIGHTY JULY 29th, 2009 VISION:

Its Shocking Fulfilment In The JULY 29th, 2009 VISION fulfilled

In the hope of arriving at an *awakened* church, GOD Almighty in heaven dispatched to the earth a *deputation* of *horsemen* that would stir up the bases of humanity's lifestyle, and cause them to rethink their course. Since this delegation of well prophesied first, second and third apocalyptic *horsemen* approached the earth, they have indeed shaken the life of mankind to the core. In doing so, these first three *horsemen* of the apocalypse, namely white (the first *horseman*), red (the second *horseman*), and black (the third *horsemen*), expressed an air of profound authority that was not designed to impress mankind, but to command the difference between GOD's requirements and man's *haughtiness*. Yet their preaching to the inhabitants of the earth has now become the direct biblical announcement of the Coming *Messiah*! It was in this very context that on July 29, 2009, while at the airport in Johannesburg in South Africa, The LORD of Hosts Spoke with me regarding the coming of the *pale horse*. It was on that day, as I awaited the trans-atlantic connecting flight, that I fell asleep on the airport floor and within the milieu of its busyness, I saw the vision of the LORD concerning the Rider of the *pale horse*. In that Tremendous vision, the Voice of The LORD Spoke from heaven saying,

“Look and See

WHO is Coming.”

Already shaken by the enormity of The Voice Of The LORD in that vision, in a great panic I immediately turned left and saw a *humongous, gigantuous* horse that was coming with such a ferocious wrath towards the earth. The impunity of his advent was very obvious as it was well demonstrated in the most revered *rage* of his *pacing*. Firstly, it was his sheer size that stunned me beyond description in that vision. And secondly, it was the cruelty of his mean appearance and demeanour that struck me speechless, with a deathly awe. At this point in that vision, I was already beginning to well perceive that indeed this is the fiercest of the four *horsemen*. Within that vision, it was already becoming a very serious issue on how to maintain my composure, and yet still be able to tap on this most crucial message the LORD was conveying to the earth. It was in that *nick* of time that finally the LORD drew the *pale horse* with his rider very close to me. With the movement of respect and almost of fear, I stood on his way causing him to come to a complete stop right in front of me.

Radiant Face

The magnitude of this gravity though did not dawn until that very moment when the LORD of Hosts commanded me to touch his face (the *pale horse*). In placing my hand on his face I noticed two major features that conspicuously stood out. Primarily, he, the *pale horse*, and his rider, presented like the great ancestral men, in their rich robes, in the pride of their ranks and the powers of their reign, as when they stood to provoke the awe that they indeed held. Moreover, it would have been more difficult to lose sight of the great radiance of the glory that was abound his face. This fourth *horseman* of the apocalypse sported splendent patches of brilliant glory that directly radiated from his *vicious* face onto his surrounding domain. It was with such command that he without a doubt, took charge of the area of his jurisdiction. In that monumental vision, as I continued to touch his over-bearing and totally domineering face, it was then that I realized that the glorious patches on his face were as a matter of fact in round clusters that totally *engrossed* and lit up the fury of his *visage*. Still totally caught up in this grand standing and impediment with this *horseman* in the vision, I then began to clearly see his eyes lighting through that over-powering glory of his face. It was the scrutiny of the *keenness* with which I noticed that he eyed me, that caused me to now perceive the enormity of his sending. The super courageousness that this *pale horse* exuberantly exuded was greatly enhanced by the adorning glory that consequently lit up the straight long hair of his cheeks. In this vision, I then realized that this is when heaven indeed bore witness to his discharge.

His Long Mane

In what clearly displayed a *hardened* and *darkened* heart, the rider of the *pale horse* in this mighty prophetic vision, orchestrated his horse to display a unique feature that is out of this planet concerning horses as we know them. This fourth *horseman* of the apocalypse caused his horse to display its long outstretched *mane* right in front of me. The act of stretching this long unique *mane* appears to have been a great demonstration of his supernatural might, and power. It equally relayed a message of his accumulated thrust that would eventually have to be unleashed upon his flash release, one day. The *mane* I saw in this stunning vision was assuredly and extremely glorious, therefore forming a very distinctive feature of this apocalyptic horse. What particularly became most baffling is the *accordion* role that the *mane* seemed to play in synchrony with the discharge of this *horseman's* appointed duties. The long mane that the *pale horse* spotted unmistakably articulately underscores the thriftiness and swiftness with which he is meant to operate, both in the physical and spiritual *realm*. In his appointed role, this *angel of Death* appears to have been delegated with speed and precision, both of which functions the mane reserves key role. In this vision, I could not help but notice the duo functional role that the mane critically plays. It emerged very clearly that in the most threshold moments right before dispatch, the *pale horse* would charge up his mane causing him to accumulate both a *mechanical advantage* and *momentum* with which to thrust out at a supernatural pace. This I witnessed as the mane became very crucial in generating a muscular strength and push by working the air around the horse in order to create a positive pressure that *catapulted* his velocity. In the spiritual realm, this implies that his awful effects of death upon the earth, is supposed to be achievable in the shortest possible time. Secondly, in that perplexing July vision, it became vividly clear that the outstretched *mane* essentially derived its structural support from the gigantic shoulder muscles of this enormous apocalyptic *pale horse*. In that way, the mane also functionally denoted the wings of this shocking horse of the endtime. I could then easily envisage how at high velocities this *mane* practically can help the *horseman* to fly over rivers and get to its target territory. The spiritual message therefrom, becomes the added supernatural ability with which this fierce *horseman* can gain more ground on the earth, and do greater exploits within a relatively very short time span.

His Furious Rider

With the ears of the *pale horse* straightened and raised up, the Spirit of The LORD then led me to pay particular attention to the rider of this *ferocious* heavenly beast. Suddenly, as the glance of this fourth *horseman's* eyes swept over me, his glare kindled an incredible form of evil that eyes had never been turned to, nor had ears even listened to. Such was the impunity with which he would come to encounter mankind, upon the fullness of his time. A severe prophetic utterance was at this time *beholding!* Of particular interest though were the sharpness of his eyes and the fact that they presented such an unmatched scrutiny that swept through like a *searchlight*. A total scan of his face is what would send agonizing chills down ones spine. This look of *terror* owed its sting from the bizarre tear-like bloody strips of markings that ran down his cheeks in a near vampire or ghostly presentation. While with these *bizarre* observations, one would easily run into a state of near denial, but that the countenance of the rider of this *pale horse* had deeper meaning on death oncoming, is an argument no one can ever easily *gainsay*. During the moments that followed, when the privilege availed in this vision, the LORD GOD then permitted me the grace with which to look slightly above his most dreadful eyes. It was at that very instance that I was hence able to observe the manner in which the rider of this apocalyptic *horse* had well covered, and fully-draped himself with a *shawl*. The *shawl* with which the rider of this *pale horse* covered himself terminated at his forehead as it was held in position by two well rolled strings of knit cloth. Each knitting was carefully consigned to ring around his head, thereby exposing only a minimal area of his face. This in the vision, alluded to his desire to maintain a bizarre obscurity towards mankind. Probably, this attribute of this fourth *horseman* of revelation can be directly linked to the fact that he does not well relate with the realm of the living, being entirely confined to the agency of the dead. His name is *DEATH* and he takes away the living into the dominion of the *DEAD* (hell). The *shawl* that this deadly fourth *horseman* adorned, appeared to have been deliberately designed in such a way that it was well tucked in between the two rings of light bundles, to the extent that this rider of the *pale horse* in earnest portrayed his great eager of *readiness* to encounter the earth's *headwinds* at *take-off*. It is the length and breadth of this heavenly conversation with the LORD that spoke it all on the gravity of the *pale horseman* and his consequent coming. At this place in the vision, a moment came when the LORD intended that the rider of the *pale horse* enact the process of his release in a manner that would convey extreme urgency to this prophecy. Then the Spirit of The LORD swiftly lifted me back to the earth in a flash second, and I found myself standing. All this happened while I was still in that shocking vision of GOD Almighty. It was then that, while still in this vision, I saw the rider of this *pale horse* of the apocalypse, this time pacing his way towards the earth. As he swiftly galloped down the sky, this nasty fourth *horseman* moved with lightning speed to the extent that I, all of a sudden realized the prominence of his arrival on the earth. It was upon the cruelty of his advent on the earth, that I quickly noticed his overwhelming impact upon humanity, even as he galloped from one rooftop to another. At that time, I saw the *fear* and *terror* of his visitation grip the entire humanity. Considering his *conscripted* tomblike countenance of some portions of his face in putrefied decay, it then indeed became an utmost stern event to behold.

Church sighted inside heaven

As all these spiritually hefty events unfolded right before the Throne of GOD in heaven, a totally new scenario was again beginning to rapidly roll out. After witnessing the entire course of the actions of this deathly *pale horseman*, the Spirit of the LORD took me back into heaven in this apocalyptic vision. This time around, I found myself again standing right before the Mighty Throne of GOD Almighty in heaven. It was then that the LORD *graced* my eyes further to witness the church of Christ just at the instance of her entry into the kingdom of GOD. They had just been *raptured* into the kingdom of GOD Almighty as the cloud of His glory lifted them off the surface of the earth, and closed the entrance into heaven. This presented an indescribable spectacular moment of all lifetime combined. Following this startling observation in heaven, I must say that the Saviour's presence was indeed on that day revealed through eternal *peace, joy, comfort, courage* and everlasting *blessings*. With awe and wonder I gazed upon that church of Christ who had just been *raptured* into the kingdom of GOD, with such *adoration* and *sense* of heavenly purpose. One awesome thing that clearly towered high in this endtime vision of the gathered saints, was that being taken up into heaven by the LORD had seen their countenance totally *transfigured* into the *light* of heaven. In their glamorous dressing and bearing, there was indeed nothing at all that *betokened* sin on that day. However, it became evident that this heavenly bride had just taken her rightful *appanage* in the kingdom of GOD. The most distinguished sight and melody then followed, and totally consumed the entire expanse of heaven, when those *raptured* saints began to *effervently* worship the Lamb of GOD and HE that Sat on the Mighty Throne. To say the least, the amount of joy that animated among the *raptured* church on that day, directly apportioned to the gospel having successfully achieved its desired end by victoriously bringing down every mountain and hill, and exalting every valley of their hearts. Imaginations and every high thing that had earlier exalted itself above the *wisdom* of GOD's grace, had indeed on that day been cast down with their every thought being brought into the directly captivity of solemn *obedience* to Christ. This state of affair was extensively happening among these heavenly saints. The holy church that I was privileged to observe at the *wedding feast* of the Lamb, astoundingly exhibited an enormous glory upon their being and gowns. This caused the *reading* of the glory from the gowns of these precious saints, to unmistakably radiate the exuberance of holy flashes of *light* in all directions. Put together, sweet unparalleled worship of melody, continued to saturate the expanse of GOD's heaven. When I looked there, I saw that the Lamb of GOD was on that day being glorified by the minute. As that historic worship peaked, it developed into a high worship of historic adoration, with such an ambience of extreme *joy* that *throbbed* their hearts, in a true *sign* and *wonder* of this momentous age. Such a *sign* and *wonder* of *joy* unspeakable, consumed the saints in heaven, particularly owing to their eminent defeat of death. It was a process that had just been shortly realized over their lives, at *rapture*. One could not escape noticing the sense of accomplishment with which this glorious worship before the Lamb of GOD, *healed* the sighing of their hearts. In this vision, I further realized that as this beloved heavenly church continued to worship, it vividly emerged that they *endeared* lifting up their holy hands, in a synchronized *crescendo* that befitted their feat. It greatly bespoke a unison of faithful purpose that highly registered in the heart of GOD. Moreover, with every occasion that this group had to worship the Lamb, they seemed to effortlessly sway from one direction to another, with their hearts permanently glued to the Lamb that is seated on the Throne. It presented as though the long awaited dispensation at which no further distraction would steal their hearts away from their Redeemer, had finally dawned. However, with every sway, I saw their glorious gowns emit marvellous flashes of light, as though myriads of lightning was abound. The nearest synthesis of this heavenly phenomenon into our physical realm could be just to the meagre fraction equitable to thousands of camera flashes splashing in tandem at one go. It was such a *blinding* and *glamorous* happening that heaven beheld upon the church on that honorable day. In their heart of hearts, the true *revelation* of being created in the image and likeness of GOD Almighty in heaven, had on that day finally come for this precious saints (Gen 1:26). It was hence at the tail-end of this magnificent segment of that July 29, 2009 vision, when I got awe-struck at how two distinctively very

different and opposite events could occur together in one vision. Upon waking up, I realized that I had been at the airport in Johannesburg, and that these two extremely antagonistic endtime events in one vision, was very revealing. Prudence has it that the presentation of these two extremely antagonistic events in one vision, directly points to their being very related in the timing of their occurrence. Verily, Verily, on that day, GOD Almighty clearly presented unto mankind the choice between life and death, joy and suffering, worship and yelling, comfort and terror, and ultimately heaven and hell.

The Horseman of Death

Three seals prepare his way

Introduction

2And Pharaoh said, Who is the Lord, that I should obey his voice to let Israel go? I know not the Lord, neither will I let Israel go (Ex 5:2)

When the king of Egypt chose to engage in a bitter *contestation* with Moses regarding Israel's freedom, never did the slightest of thought *wink* his mind that Egypt would in her *sunset* days, come to symbolize the endtime *wrath* of GOD. And never was it ever envisaged of, the horrific form that GOD's *wrath* would assume in the last days, upon the face of this aging earth. In spite of possessing the highest technology then, ancient Egypt had to come *face to face* with the full-blown wrath of GOD owing to their profane *secularism* and *idol worship*. That Egypt was not spared the fullness of the fury of JEHOVAH, indeed goes a long way to underscore just how much heaven cannot tolerate the *heathenism* of man's *heedlessness* and *lawlessness*. Today we can, with certainty, say that when JEHOVAH struck the land of Egypt in those ancient days, it certainly registered the *catalogue* of GOD's most revered *fury*. Courtesy of the August 19, 2008 vision of the discharge of the black *horseman*, the corresponding fulfilment of that prophecy on global economic *meltdown*, is what remarkably shook the earth's core. Upon his release, this third *horseman* from heaven literary crashed the global financial order from west to east, and north to south. When the first spiritual *horseman* of the apocalypse prided himself as '*bent on conquest*', it was very stunning to witness this third *horseman* do the actual conquering of the entire global financial systems.

Black horseman prepares his way

Humanity had never well perceived that in the *post-modern* world, it would eventually be the events *trailing* the 2008 release of the black *horseman*, that would paint the *true picture* of GOD's endtime *wrath* against *sin*. As the third *seal* was broken in heaven, the black *horseman* galloped from heaven across the ends of the earth, bringing in its wake a historic dispensation of global financial *crunch*. This awful unfolding totally gripped the four ends of the earth with the fear of *the unknown*. It is a situation that quickly grew *ominous* in the west to the extent that unemployment *catapulted* beyond the reach of fiscal planning. Austerity measures then took centre stage worldwide, causing such a *dreadful* sting whose *contagion* swept across the EU, including France, UK, and the US, among other developed economies. However, Greece and Ireland today designate those nations that were not fortunate enough to escape the wrathful *vengeance* of this shrewd *horseman*, hence succumbing. As the *perils* of the global financial *downturn* persisted on by deeply entrenching themselves into national budgets, credit lines were virtually rendered frozen. In this way, the third *horseman* of the apocalypse appeared to have had his way in demolishing man's economic defences, a culmination that clearly portrayed his *field day*. Undoubtedly, this is what thoroughly shook humanity from a state of *complacency*, *comfort*, and *slumber*. This awakening did not spare the church either. With such an economic *meltdown* reigning its full *course* upon the major economies, all speculated that the Arab world with its enormous *petrol-dollars*, might escape this menacing *peril*. Nonetheless, it is the *misgivings* with which the Arab world maintained a suspicious tranquillity at the height of such a historic economic turbulence, that drew global interest onto just how far their *resilience* would hold. Even so, when the real moment of reckoning manifested, the whole world was very stunned to realize that it had just been a matter of time before the harsh economic *melancholy* would weigh down on the Arab world. Hence, the initial attempts by the Arab economies to pronounce immunity was now quickly *dissipating* away, more like a *lull* before the *storm*. As the economic stability across North Africa began *waning* and *dwindling* away, all knew it too well that things were headed south; though no one could envisage the exact manner and form it would take. Aware that he was coming in as the most immediate forerunner to the *fourth horseman* of death, the rider of the *black horse* of the *apocalypse* sustained relentless pressure upon these Arab economies, causing things to finally break loose. This was for all intent and purpose meant to demolish the *backbone* of those nations. To pave way for the coming of the *pale horse* of death, the *black horseman* ensured that the structures which held those nations together, were totally demolished. This rendered every household spiritually marked, so that when the *angel of death* came on his mission of death, he might unleash tragedy. '*What meaning then, is attached to these protests?*' Such must have been the question lingering in people's minds as they watched in disbelief, the sudden turn that the global economic distress was taking in the Arab world. But because the nations did not see through the *veil*, they did not read the *mystery* beyond this economic distress that was now sweeping North Africa. Day after day, people poured into the streets to protest corruption, and gross economic mismanagement. By registering their mighty presence in the streets, the peoples of the Arab nations were essentially enrolling their attestation to the demolishing of the foundations of those economies. This is how the nation of Tunisia finally succumbed to pressure and everything broke loose. Tunisia then became the first casualty of the '*one quart for a day's wages*' as the *black horseman* of the apocalypse charged on. The collapse of Tunisia immediately catalysed a *domino-effect* of historic uprising that swept across the entire Arab world. Egypt in her former and present day *supremacy* in that part of the world could not escape the wrath of this *third horseman*. When things began to fall apart, it had been long since Egypt had witnessed an open public *rumpus* of the magnitude that was now shaping up, against the establishment. However, the can of worms did not open until multitudes of unemployed youth who had spent countless hours on *facebook* and *twitter*, began to co-ordinate protests at the Tahrir Square. The *hue and cry* finally exploded resultant from the harsh economic truth of the day. Many people began to pour into the streets with a form of *rage* and *tirade* that had not been experienced in Cairo before. Such a *reformation* as was now shaping, had not been witnessed in the

land of Egypt at all. However, this did not come without a price. As a matter of fact, a heavy price was paid to the extent that live gun-fire was the order of the day in Tahrir Square.

The Angel of death released in Egypt

As the protests in Cairo gathered *momentum*, multitudes of relentless Egyptian youth and adults began flocking into the Tahrir Square to *vent* their *anger*, in their millions. With crowds already *charged-up*, things immediately turned more *sour*, causing a *violent* form of bloodshed to visit the streets of Cairo. This *violence* quickly picked up, rapidly transforming itself into a more *hideous* and *ugly* kind, when pro and anti-Mubarak protesters began to engage each other using *petro-bombs* and live *gun-fire* day and night. It was at the height of such *violence* in Cairo that the LORD stunned the entire world in a manner never ever witnessed before. As *petro-bombs* were being hurled from all possible directions by pro-Mubarak supporters, the unemployed despondent protesters equally stepped-up their *rock-throwing* in the Tahrir Square. A heavy pressure had now mounted to the extent that a massive *blood-spilling* profusely covered the streets of Cairo. As this *bloodshed* peaked, with dead bodies of victims littering the streets of Cairo, and the sound of *gun-fire* rumbling across the skies, surely the LORD GOD couldn't have found a better moment to capture the attention of the entire globe. In the fear of re-living the Tianamen Square incident live, almost the entire earth was glued to their television screens watching the events as they unfolded in Egypt. People across the globe wondered whether a special *red-brigade* would be unleashed on the Tahrir Square to cause a most gruesome *massacre* of this age. Of sorts was the anxiety that mounted globally. As all viewers paid attentive scrutiny to the events rolling out of Egypt that night, the sound of *gun-fire* climaxed and the global viewership was treated to *shock* and *horror* as they watched live *gun-shots* take out lives one by one. It was like watching a movie, though this time around actual human beings were being slain by the assassins' bullets. It was then that the LORD decided to release an astonishing *heavenly beast* right in front of the global television news network cameras. The *perplexity* and *stun* that greeted the appearance of this heavenly beast is what indeed defined the shock of the day. *Pale* in colour, and riding a similarly *pale* beast, it quickly became apparent that this was the *pale horseman*. Just prior to this episode, an event of extraordinary importance took place that changed the course of human history. Mankind enters into the earth by *life*, and here comes one to take away that very *life*. While trying to get his momentum, it became vividly clear that by sheer size alone this was indeed a gigantic *horse* of unparalleled proportion. And the *long hair* that sported his face presented a true *beast* of heavenly magnitude. By this, GOD Almighty assuredly intended to arrest the *hearts* of men and cause the entire globe to live a *biblical moment*. JEHOVAH deemed it right to fulfil His revelation prophecy by releasing this most deadly rider of the *pale horse*.

Weird Horseman

Spiritual things demand spiritual *discernment*. With all the *secularism* and the excessive *indulgence* that this post-modern world has to offer, it became most baffling to realize that nearly all who watched the *pale beast* released in Egypt, quickly recited the holy bible in the book of Revelation chapter 6. With all due respect to humanity, one could not escape prescribing to the notion that today's *sophisticated* lifestyle of *intellectualism* and *liberalism*, would have most easily led many to decipher a *spooky* phenomenon of this magnitude, with *ridicule*, *mockery*, and a total *rejection*. It was most shocking though, to realize that the majority of those who watched this heavenly beast released, voluntarily submitted to his biblical prescription. This is what in essence merited the first sign and wonder, even before delving into the person of the horseman. The million-dollar question then becomes, how could such a *post-modern* generation, from whom the *Shekinah* had departed, even decipher such things of spiritual depth, about which the angels of heaven bow before the LORD? Even for the most secular unbeliever, but though they attempted to neither see value, nor respond to this unfolding, GOD's act in releasing this *horseman* to the world was still indeed acknowledged. GOD Almighty in His infinite wisdom, perfectly timed that most critical moment when all eyes were glued on television, and then released the rider of the *pale horse* of the *apocalypse* right in the eyes of television cameras. Unusual uproar of exclamation then ensued, rippling across the globe, and resonating to the four ends of the earth, as millions could be heard asking the horseman; '*who art thou?*' Because it was He who declared Himself to Moses as the Great I AM, and it is He who was in the pillar of cloud and of fire that had been the guide of Israel, then this time around also it is He who has sent this *heavenly host* to guide mankind on the dispensation of the endtime. A massive historical global conversation then consumed with most saying, '*a ghost horseman has been caught live on camera?*' While some referred to this heavenly beast as a *phantom* horse, others instead were quick to read scripture and discover his name. Millions rushed into reading the scripture out the book of Revelation, that says;

⁷And when he had opened the fourth seal, I heard the voice of the fourth beast say, Come and see. ⁸And I looked, and behold a pale horse: and his name that sat on him was Death, and Hell followed with him. And power was given unto them over the fourth part of the earth, to kill with sword, and with hunger, and with death, and with the beasts of the earth (Rev 6:7-8; KJV).

Facing backwards

Pondering on the broader and far-reaching implications of the arrival of this *pale horseman*, millions across the globe began to watch, and re-watch that stunning roughly 6-sec news clip. It was however upon the repeated *scrutiny* of that news clip featuring the *pale horseman*, that his *weird* demeanour came to bear. First and foremost, his *eerie* appearance bespoke that indeed human *apostasy* had now appeared in its most *heinous* form. Secondly, the LORD seems to have deliberately intended that the whole global viewership catch a proper *glimpse* of him at that most critical moment. And that is the reason why upon his release from heaven, this *horseman of death* stood still in front of television cameras for close to 3 seconds. In that way, a rare snap opportunity availed itself making it possible for the first time in the entire biblical history, for mankind to capture a birds-eye-view of a very serious heavenly event, that would in the normal case never manifest in the physical realm. This is the flash 6-sec *motif* window upon which the peoples of the earth employed every opportunity in order to closely examine this spiritual heavenly beast. However, it was absolutely shocking to realize that this *fourth horseman* of the *apocalypse* as a matter of fact sat on his *pale horse* facing *backwards*. Moreover, as he faced *backwards* on the *pale horse*, he appeared holding the strings with which horses are ridden (*reins*). Such a *bizarre* picture, was quite disturbing though, because one would have expected the rider of a *horse* to hold the

strings facing in the same direction as that in which the *horse* is riding.

Skillfulness

Another *odd* countenance of this *horseman*, arose from the position at which he sat on the back of that peculiar *horse*. The *pale horseman* the LORD presented, particularly sat far-off at the back of the *horse* and very close to the tail-end of his terrifying *heavenly beast*. Whilst one may have thought that a near state of *jeopardy* almost befell when this *pale horse* took off, then one were shocked to learn that, that backward *jerking* of this *horseman* was in fact, a clear demonstration of *weathered skill*. It however wasn't over yet, with this *horseman's* display of competence, until he finally had the privilege of exhibiting the *aptness* with which he has mastered horse-riding. This he did by instantly turning to face forward, as the *horse* raced on. It was like a mid-air event as *DEATH* turned from facing *backwards* to facing *forward*. His evidence did not begin until he commenced to work the strings of the *reins* in his hands, and this giant *pale horse* instantly responded to the command. What especially stole one's breath away was the reality that dawned owing to the presence of this real heavenly spiritual being, now working the strings of this horse, with the movements of his arms vividly clear to the ordinary human eye. One could almost feel the human spirit within the viewship, *agonizing* in a *struggle* to understand this *unfathomable* heavenly phenomenon. It is as though in watching this weird *horseman* of *DEATH*, most people must have asked, that if surely GOD Almighty holds the whole world in His Hands, and He is truly good, how then can He allow such an *outrage*. And *outrageous*, it was indeed, to see this *strange horseman* work the strings of his ride while facing *backwards*. And the GOD to whom the sufferers were accustomed to turning to in moments of need, Himself now became the overwhelming *enigma* on that night. The release of this *horseman* of *DEATH* in the public has thence become a shock upon which *humanity* now agonizes over the crisis of *faith*. Many who read the book of Revelation chapter 6 after watching that 6-second clip, demanded to be persuaded as to why GOD would release that *monster* of death on them. Meanwhile, incapable of contending with just standing still, the *pale horseman* began to *whack* this sturdy horse by pulling the *reins* back and forth, in an event that surely fired up the *horse*. The *pale horse* then broke out of the tight logical mode in which he had been for the past 3-seconds, and began to violently flap his long *mane*. That became the moment of revelation as his radiant *mane* showered the vicinity with such a tremendous magnitude of glory. Coupled with its startling *magnificence*, the sheer length of this *mane*, from the shoulders across his entire length, is what served to disqualify this beast from being earthly. By repeatedly firing-up his long glorious *mane*, the *pale horse* of the *apocalypse* got himself fully charged-up in readiness for what would be nothing less than a flight. The *horseman* then portrayed his boldest and most radical move when he all of a sudden officially left for his earthly mission, upon instruction. That is when his rider called *DEATH*, still facing *backwards*, was violently *jerked backwards* as they took off for the mission.

His disorder

The central *theme* of this *horseman's ways* appear to have been well-gear'd at openly proclaiming the institution of *DEATH*, and to keep alive the *cunning* elements that behold the dominion of the *DEAD*. While the *calculus* of his *habits* may have seemed easily *discernable*, nonetheless, the truth of the matter is that one may never know what else remained totally concealed to human eyes in this physical realm and lifetime.

For instance, we may just never know what he could have been communicating to *Hades* as he *faced backwards*. It is a well-established truth that this *pale horseman* does not come alone, but maintains a tightly knit association with *HELL*, who as a matter of fact closely follows him. Nevertheless, his act of facing *backwards* is in great regard to the dispensation of *reverse order* which he brings upon the *life* on earth. It can be advanced that the *backward ways* of this *adversary* of *life* undoubtedly portend to the state of disorder that he *reigns-in* on human *life*. Observing this *ghostlike* evil creature take special delight in *sinister* craftiness to assail mankind, directly translates into such an *abomination* that has not been witnessed in recorded history. It is as though GOD's major purpose in disclosing this *pale horseman* of *DEATH*, was assuredly aimed at causing the whole global community to long for a worship that could sanctify their *hearts* again. The LORD Jesus in his most noble capacity as the Redeemer, wilfully *condescended* into the agony of this sneaky *horseman's* dominion, thereby pronouncing, that one day His lowly lesson might teach the humble at heart to evade the sinister *wickedness* of this age. Considering the orthodox faithfulness of the *pale horseman* to his commissioning instruction, it is clear that he comes to destroy those *disobedient* ones who have rejected *Christ*. The reason being that if GOD Almighty would only let this most wicked *pale horseman* to massacre the righteous, then it would expose all the holy saints as a *fraud*.

Midst of death

Self-evident and *unassailable* is the reality of the *anomaly* that pervades the location of the release of this *angel of Death*. Adding to the pain and inner turmoil of suffering that went on in the streets of Cairo that night, the LORD found it fit to discharge the *pale horseman* of *DEATH* right in the midst of a *spine-chilling* bloodshed. The *sights* and *sounds* of live gun-fire and eminent death that had begun in a *sporadic* way, finally *eclipsed* life in the streets of Egypt that night. Whilst people of all walks of life got caught up in a desperate attempt to salvage the bodies of those who had been shot dead, GOD Almighty was on the hand set to tip the scale on the endtime clock.

With loved ones at a daring gun-fire to reach their fallen colleagues, more were indeed felled by the spewing gun-barrels. A *grisly* picture hence *beheld* with young men seen pulling the dead bodies of their colleagues that had been *brought-down* by live fire. As this went on, the sounds of gun-fire continued to rumble, blasting the skies of Egypt with pure *terror*. Coupled with their deadly lightening flashes of the bullets, a state of horror hung over Egypt from the sky. With people pulling those who had been shot dead on the tarmac, a massive trail of blood marked the streets of Cairo. It became the signature print that attested to *DEATH* that had now crept into the land of Egypt. It is the combination of all these dreadful unfoldings that indeed ripened-up the historic

land of Egypt as the place at which JEHOVAH was just about to release the *pale horseman* of *DEATH*. In that fullness of time, then GOD Almighty released the rider of the *pale horse* right in the midst of gun-fire, petrol-bombs, wailing, mourning, weeping, and the relentless gnashing of teeth. Whereas in many places the impact of the *pale horseman* may be difficult to translate into our daily lives, one thing however remains plainly clear. Because he was released in the midst of a deep agony of *mourning* and *tears*, it then becomes true that his advent on the earth must bring forth a very deep agony of *mourning* and non-stop *tears*.

The LORD appears to have deliberately set out to have the fourth *seal* on the *scroll* of GOD broken in heaven at the most conducive environment for the mission of this horseman. His name is *DEATH* and he is released at a place and time that is synonymous with the wrathful vengeance of GOD against sin. This suffering as was now consuming the streets of Egypt provided an ample occasion like none other that the LORD may release this deathly *pale horseman* when tears had covered the faces of men. If the environment in which the rider of the *pale horse* was released were anything to go by, then surely 'the writing is on the wall.' The release of this *pale horseman* only rubs salt in the wounds and creates a stumbling-block to faith owing to the suffering he brings to the face of the earth. While the world may have thought that the release of this *pale horseman* is intended to be a contribution to an ongoing high-level discussion regarding *apocalyptic horsemen*, to say the least he comes to summarize their act in that zero-countdown to *rapture*. This is a *wisdom* no one has rational arguments to *marshal*. Appearing in a flash of 6-seconds and receiving an entire global attention, GOD Almighty intended that mankind now appreciate what a flash of a second in the *twinkling-of-an-eye* can accomplish. Likewise, the *rapture* of the church will verily take place in a *flash* of a second. Big lesson to learn from!

His pale color

This generation has paid host to a *progression* of most *adverse* and *calamitous* situations that have today *dissipated* upon the face of the *earth*. This is because the heavenly *horsemen* of the *apocalypse* have continued to *debouch-on* forward totally unimpeded. This *tenor* will continue on because of the critical endtime *era* that the nations have now *stumbled* into, towards the most *momentous* coming of the LORD, the *Messiah*. Estimating from the style with which both the *heathen* and the *believers* have scripturally responded to this strange *pale horseman*, it appears as though the *abeyance* of their *souls* has now been awakened. Surprisingly, following that *auspicious* release of the *fourth horseman*, humanity has somehow instantly perceived greater *wisdom* to the fact that in the day of the final judgment, every *lost soul* will understand the nature of their own *rejection* of the *TRUTH*. And they all seem to now well *concede* that the *cross* will be presented as the standard *yardstick*, with its real bearing on each individual life being seen by every mind that has been blinded by *iniquity* and *transgression*. It is the only acceptable *rationale* as to why such a *post-modern* humanity would cite Revelation chapter 6 after watching such an *odd* and entirely *spooky* heavenly being in their newflash. Chief among the features of this *horseman* is his *pale color*. The key identity of this fourth *horseman* comes from none other than the fact that, he is the only one out of the four *horsemen* of the *apocalypse*, whose real name is given in the bible. His name is *DEATH* and *HADES* follows him very *closeby*. However, the main symbol that this fourth *horseman* carries around on his mission is the color *pale*. Arising from the deleterious *squelch* his hooves unleash upon the face of the earth, this fourth *horseman* is essentially referred to as *ashen* in color. The *pale ashy* appearance of this *fourth horseman* is what marks the unfortunate characteristic of the *DEAD* that he carries. It has been common practice to hear people referring to those who are very ill as having gone *pale*. This is owing to a condition in which they experience a limited blood-flow to the surface of their skin. The *pale color* has hence served as a good indicator of a *deathly* appearance. In the Greek nomenclature, the color *pale* is employed in reference to green leaves. When a leaf has no defect or blemish, it is normally known to bear the *dark green* color. This caused the Greek to associate the healthy green leaf color with the *healthiness* of man. However, on many occasions, when the healthy leaves are infected or lack nutrients or are struck by *environmental insults*, they often will present a condition known as *chlorosis*. It is interesting to highlight that *chlorosis* fundamentally refers to the *yellowing* or *whitening* of plant leaves and stems caused by a lack of the green pigment, *chlorophyll*. Moreover, in humans, severe iron-deficiency causing a condition known as *anaemia*, is also responsible for the *greenish tint* in the skin. This condition has also been referred to as *greensickness*. This *iron* deficiency has been well catalogued in medical encyclopedias as the cause of *anaemia* in young women and mostly characterized by weakness and a *green* color to the skin. A diet lacking in *iron* or loss of *iron* as a result of chronic bleeding have also been known to cause the *greensickness*. The *pale horseman* hence bears the *pale green* color as a testimony that his mission brings death to the earth by taking away human life. This he does by engaging all the weapons previously employed by the first *three horsemen* of the *apocalypse*. Such weapons include deceptions, wars, rumours of wars, famines, floods, pests, earthquakes, disease, and the wild beasts of the earth.

Milestone...

The breaking of the *seven seals* on the scroll of GOD in heaven earmark a very critical hour on the earth. The bible chronicles the *seven seals* on the *scroll* of GOD as seven systematic steps that were meant to ripen the earth for GOD's order. However, among the *seven seals* on the *scroll*, it is the first four *seals* that designate the prophetic timeline of GOD towards the *rapture* of the church. While the breaking of the first of the *seven seals* spells a consignment of *deception* upon the face of the earth, the breaking of the second *seal* defines bloodshed. The third *seal* on the other hand catalyses all instruments of economic breakdown and collapse, and entrenches global poverty through famine, unemployment, market meltdown, etc. With the prophecies regarding the breaking of each one of the first three *seals* now well fulfilled across the globe, then came the most important and last seal on the *scroll* of GOD. Each one of the four *seals* on the heavenly scroll of GOD clearly prescribes an *apocalyptic* timeline. Perhaps even more indicative are the idealized heavenly depictions of each *horseman* with a particular countenance that bespeaks his mission. These *horsemen* are like royal servants of the LORD whose reign promotes *godliness* and covenant *faithfulness* to only the imperishable realm. This is because they appear to have been sent to devastate man's

over-reliance on earthly *prosperity*. However, as the first three *horsemen* pride themselves in the excellence of their *aptitude* for achieving victory, they all seem to have been a *prelude precursor* and forerunner entourage for this fourth most deadly *horseman*. While the first three *horsemen* are skilful in transforming post-modern world into a despicable *gaunt*, the *fourth horseman* comes to directly swallow the dead into eternal hell. The accession of the rider of the *pale horse* without any competition or detracting incidence is what most baffles mankind. The LORD ensured that his release would be in the public place, and ever since that February 2, 2011 discharge, he has quickly laid the ground work for the accomplishment of his task. Being immediately available, the nation of Libya became his first real mission field.

The release of the *pale horseman* on television news screens highlights a great milestone in the fulfilment of biblical prophecy. This *pale horseman*, together with his heavenly beast, clearly testifies to humanity that the bible is the true living Word of GOD Almighty. So alive that the fulfilment of its predictions are displayed in the public place at the viewing of all. Such a dramatic prophetic *junction* not only portrays the bible as the true *Living Word* of JEHOVAH, but also that its entire content regarding the coming of the *Messiah* is *trustworthy* and must also be fulfilled, soon. The eternal value of biblical legacy as the only faithful *truth* is hereby highlighted by these *horsemen*, in the fulfilment of their prophecies. In writing their account of human reign, these *horsemen* demonstrate just how sin always brings judgment in the form of disasters. Either illness or defeat in war or poverty and famine, whereas *repentance, righteousness, holiness, obedience* and *trust* will always yield *peace, safety, victory* and *eternity*. In this hour, the *pale horseman* has come to do nothing else, but to *destroy* and *kill* disobedient mankind, whom also, GOD created. Armed with such a *galactic* crusade at his heart, this *awful* fourth *horseman*, has been granted *raw* and virtually unchecked *powers* to summarily take away life, of upto to a whole one quarter of the earth. This is absolutely evident in the way he is going about initiating his mission in Libya, Morocco, Yemen, Egypt, Algeria, Bahrain, etc, and Japan.

Concomitance with rapture

At the very centre of the release of these four troubling apocalyptic *horsemen*, and especially the rider of the *pale horse*, is the supreme *gift* of GOD to mankind through the *Messianic* covenant. That gift is the *Marriage Supper* of the Lamb of GOD. For that reason, biblical account of the reign of the four *horsemen* is largely devoted to the church's *preparation* and *rebuilding* of the temple for the coming *Messiah*. While not portrayed as flawless, the holy church that constitutes the heavenly bride is biblically presented as the prime example of the *Messianic* ideal, i.e., as the *royal bride* whose presence on the earth promoted *godliness* and covenant *truthfulness*. Thus they served in the sanctuary as *types, foreshadowing* the *Messiah* to come, of whom the Prophets have spoken, and their remembrance of him is what nurtured *hope* in the face of a much discouraging world. As matter of fact, the restored *holy* church is at this hour, viewed as the remnant of the LORD, both north and south of the equator, and east and west of the *Greenwich Meridian*.

It is for that reason that in the July 29, 2009 vision depicting the release of the *pale horseman*, his dispatch remarkably coincided with when the holy church of Christ was taken up in the *rapture*. Owing to the enormity of the global distress generated by the release of this *pale horseman*, it is prudent that the holy christians focus on GOD's word that expresses his view *succinctly* saying; 'Have faith in the LORD your GOD and you will be upheld.' To have faith in the LORD at this perilous hour essentially implies compliance with the Holy Spirit. It is the Holy Spirit alone, whose continued presence on the earth is able to *ward-off* the *holocaust* instigated by this *pale horseman*. This protection the Holy Spirit will faithfully offer on the account of his reign on the earth which is devoted wholly to the building of a *radiant* mature *bride* for Christ. Therefore, the antagonistic *schism* that appeared in that July 29, 2009 vision of the *concomitant* release of the pale horse and *rapture*, is in itself a resounding message to the nations of the earth. The LORD is asserting here that there is a temporal (time related) aspect to the two events featuring concurrently. The appearance of the *pale horse* directly correlates to the closeness with which the earth has drawn towards *rapture*.

Radiant gown

There is a little conclusive evidence aboard the July 29 vision, that holds the golden *key* on this matter of the *pale horseman*. This is the point at which the church was sighted in heaven during that visitation. In the official courts of heaven, the church presented herself as a radiant *bride* whose countenance had been totally transfigured by the glorious word in which she had *imbibed* herself. That celebratory church at the *Marriage Supper* of the Lamb clearly implies in reference to the remnant *holy* and righteous *clique* of believers. These must be the radical followers of Christ. It is also questionable whether the official courts of heaven would have been readily accessible to the modern worldly church of this day. Since the saints in heaven worshipped with their glorious *gowns* emitting such a splendor of heavenly *radiance*, then without a doubt there is a message for today's christians. Reflection on their *radiance* clearly reveals that the LORD selected and arranged this vision in a manner that provides *sequel* to the requisite standard of the *righteousness* in heaven. The Holy Spirit must have been showing that the annotations of GOD's writings in heaven regarding His *righteousness* are eternal, and must be met. What a clear call to *repentance*! And hence anything in the church's being that might *tarnish* her *image* as the *royal bride* must now be urgently omitted in worship (Gen 1:26). The subsequent difficulties that the *pale horseman* of death may plot against the inhabitants of this earth, will be greatly diminished by the church's impending flight from the realm of the earth. Presumably, all must be aware that the Holy Spirit will not continue to *parry* and *thwart* the efforts of this evil *pale horseman* indefinitely, owing to the LORD's preset endtime clock. Because established scriptural consensus acknowledges the church as the principal *apportioning* of the Holy Spirit's *habitation*, then a lot is indeed at stake at this *perilous* hour.

⁷Let us be glad and rejoice, and give honour to him: for the marriage of the Lamb is come, and his wife hath made herself ready. ⁸And to her was granted that she should be arrayed in fine linen, clean and white: for the fine linen is the *righteousness* of saints (Rev 19:7-8; KJV).

The burning issue has hence narrowed down to the desperate need for a rapid *reformation* in today's church. Such a *transformation* must *tersely* affirm the uncompromised return to *holiness* and *righteousness* in the lives of today's believers. And no room must be given to the chance of any other theological perspectives that have long entrenched the systems of *heathenism*, *lawlessness*, *heedlessness* and *godlessness* in the lives of today's christians. The *pale horseman* of death would then be categorized as a blessing in disguise because he presents to the world two clear choices; *i)* to either be *righteous* and get counted as the *priestly bride* of Christ, or *ii)* reject Christ and be his *client*. This is fitting since he is referred to as a merchant of *DEATH* or prince of *DEATH*, and his co-associate *HELL* is his corporate accomplice in that trade. All the clients of this *horseman* of *DEATH* are swallowed up by *HADES/HELL* which is the dominion of the DEAD. However, on the other hand it must be said that to be a priestly *bride* unto the high priest, is such a *tribute* that more often than not also presents a serious *challenge*. There are scripturally well defined *nascent* required *benchmarks* of GOD that must be achieved, and adherenced to in these last days of the *pale horse*.

Like a thief...

Most of the events referred to in the release of the *pale horseman* in Egypt indeed caught mankind by surprise. Nevertheless, the LORD had earlier warned in His *infallible* Word, that sin would bring the captivity of death at the hands of the *lawless*. The visitation of this heavenly *envoy* of DEATH hence set the stage for the fulfilment of these biblical *predictions*. Although the final *judgment* of *disobedient* man will not take place until the breaking of the *7th seal* on the *day of damnation*, the LORD however had earlier foretold on the *restoration* of today's fallen church. Such a *reformation* was destined to accomplish in the days prior to that final *calamity*. It can only imply that, even with such a public outcry on this *pale horseman's* bearing, the church as at now can virtually undergo a radical *transformation* if she so wishes. A radical '*surgery*' of that nature is what would remove the *spiritual tumours* of sin as observed in today's body of Christ. And this is a process that must happen sooner than later, before it gets too late. GOD Almighty promised that he would redeem the believing church from *sin* and *DEATH* just as he rescued Israel from Egypt. Today's release of the *pale horseman* in the land of Egypt fundamentally unveils the full spectrum of GOD's judgment and salvation. This is especially in the *stealthy* manner with which he was discharged, *like a thief*. It vividly appeared that no one on the entire face of the earth had the slightest *foretaste* of that day on which the *pale horseman* was most *unexpectedly* released. Without any prior announcement whatsoever, GOD Almighty *unilaterally* deemed the time ripe to release the man of this deathly *pale horse*. This apportioned *credence* to the Almighty's *Sovereignty* by essentially *rewriting* a historic calibre of the *unassailable unilateralism* of His reign. JEHOVAH GOD hence needed not to consult with any man on the matter of this *pale horseman's* release.

In six seconds...

Until the day of his showing unto the whole world, the *pale horseman* must have anxiously grown *weary* in waiting for his appointed hour. He must have *waxed* strong in the spirit for that moment of *reckoning*. Nevertheless, that hour of his *manifestation* remained a highly-guarded *secret* and total preserve of the LORD GOD. More than any natural *endowment* upon the face of the earth, the *sudden* and *surprising* release of the *pale horseman* indeed registered very highly in the spiritual realm. Appearing on earth under such *absquatulate* and most suspicious circumstances, this rider of the *pale horse* surely stunned the earth. When the fullness of time for his showing had come, it was absolutely amazing to observe that in a *flash* of only 6 sec, GOD Almighty had fully accomplished presenting the *pale horseman* before the entire globe. It was incredible to witness what a *flash* of 6 sec can achieve in the physical realm. If this kind of humongous act is attainable in the physical, how much more influence then can 6 sec accomplish for *enduring-eternity*. Uninterrupted by the clamour of the multitude in the streets of Cairo, this *horseman* unquestionably *illuminated* the complete clarity on the perception of what a *flash* in the *twinkling of an eye* will achieve on the day of *rapture*.

⁵¹Listen, I tell you a mystery: We will not all sleep, but we will all be changed — ⁵²in a flash, in the twinkling of an eye, at the last trumpet. For the trumpet will sound, the dead will be raised imperishable, and we will be changed (1 Cor 15:51-52).

And so will it be with the eminent return of Christ the *Messiah* at *rapture*. As the whole global community *veritably* focused on the *perilous pangs* of the *black horseman* and his economic *woes* across the Arab world, their whole attention was drawn to just how deadly that economic *meltdown* can get. Then all of a sudden, with no *announcement* whatsoever, the LORD caught the entire global community totally *off-guard* when he suddenly released the *pale horseman*, in a flash of 6 sec, *like a thief*. This has now become the grand *prefiguration* and *foreshadowing* of how the glorious day of *rapture* will *behold!* Going by this, one can now clearly see that the whole earth will be literally caught unaware, *like a thief*. The first test that the *pale horseman* occasions upon humanity *inescapably* involves the *aptitude* to spiritual *alertness*. The spiritual message from this *pale horseman*, once raised in the full glare of global media like this, cannot be ignored or silenced, not even destroyed. The LORD is using the release of this *horseman* to quicken man's heart about the goings-on in GOD's council *chamber*. Because the church belongs to a race of creation endowed with *wisdom*, *understanding*, and spiritual *insight*, GOD Almighty goes on to use this *fourth horseman* to Speak on how at *rapture*, He will only delight in those who are spiritually *alert* and hence *vindicate* their *godlikeness* (godliness; Gen 1:26).

⁴²Watch therefore: for ye know not what hour your LORD doth come. ⁴³But know this, that if the goodman of the house had known in what watch the thief would come, he would have watched, and would not have suffered his house to be broken up. ⁴⁴Therefore be ye also ready: for in such an hour as ye think not the Son of man cometh (Matthew 24:42-44).

When the LORD *exclaimed* of Israel as a nation gone *blind* and *deaf* (Isaiah 6:9-10; 42:7), and a vineyard to be trampled upon (Isaiah 5:1-7), he principally *enjoined* in, all the nations that defy GOD and people devoid of *justice* or *righteousness*. The present day body of Christ seems to have arrived at this very place

of *heedlessness*, in this critical hour. The reason being the awful spiritual *deafness* with which today's church cannot even hear from the LORD. Since July 29, 2009, when the LORD confided in me that he would soon release the *pale horseman*, the global community together with the church, have acted as though they were spiritually very *deaf*. In this condition, she definitely needs a *healing miracle*. Then, when the LORD further led me to describe the *mane* that defines these *bizarre horses of the apocalypse*, it must have sounded to this post-modern generation, just like a man who *plays* an instrument well and *sings* a good song. That whole description was actually quite *spooky* that it was *unfathomable* in this day and age. By breaking the third *seal* on the heavenly *scroll*, GOD Almighty certainly intended to raise a *banner* to summon the nations to bring *worship* unto Him, yet unfortunately nobody seemed to pay any *attention*. The LORD purposed that the discharge of these four *horsemen* of the *apocalypse* would *preach* to the earth through the *impact* of their *tumult* upon *humanity*. Famines, earthquakes, wars, rumours of wars, bloodshed, are just but some of the *weapons* these *horsemen* wield, for purposes of shaking the earth. And their *communique* is that, many of the children of GOD shall turn to the LORD their GOD by laying to absolute *vanity* the intoxicating *excesses* of this world. This sounds more like a heavenly *delegation* whose discharge should go before the face of the LORD to prepare his ways.

Antidote of faith...

Like a thief, these four *horsemen* of the apocalypse were sent with the goal of *appearing* and *destroying* anything that has lately *exalted* itself over and above Christ, here on the earth. In biblical scripture, the *faith* of Job during the height of evil, was purposed to teach this present-day church a great spiritual *truth*, a *truth* that many are so often slow to learn, and yet ready to quickly *forget*. Until the day that these *unforgiving* perils began to *befall* the earth, little attention had otherwise been placed on Job's form of *endurance*.

⁹On the left hand, where he doth work, but I cannot behold him: he hideth himself on the right hand, that I cannot see him: ¹⁰But he knoweth the way that I take: when he hath tried me, I shall come forth as gold. ¹¹My foot hath held his steps, his way have I kept, and not declined (Job 23:9-11).

Such *perseverance* amidst extreme *cruelty* has today become an asset in the christian walk especially considering the humongous destruction of property and life, that the earth is currently experiencing.

For those devout christians that shall successfully *prevail* through the cruel *commotion* of these unforgiving *horsemen*, these believers who dwell in their *quiet* and *holy* lives, the *light of faith* shall shine forth from them like a *star* amidst the *darkness* of these evil days. To this godly lot was long promised the gift of *sonship* at the *marriage supper* of the Lamb. For they shall be great in the *sight* of the LORD and shall touch neither *sin* nor *iniquity* as they shall be filled with the Holy Ghost during these last *perilous* days. However, it is the extreme cruelty with which these four apocalyptic *horsemen* treat mankind, that can at times perplex one. Nonetheless, it is the *mayhem* which these *horsemen* unleash on earth, that hence essentially preaches the refiners *fire* upon *humanity*. This is a call for mankind to observe a lifestyle of complete *purity* and *separation* from the things of the world. What a contrast between *unbelief* and the sweet childlike *faith* of a godly believer! The manner in which the four apocalyptic *horsemen* are ravaging and demolishing the earth, is what particularly devastates all those that had trusted in the things of this earth. Japan earthquake and tsunami, coupled with the Haiti and Chile earthquakes indeed have come to announce the fulfilment of biblical scripture about this dispensation. *Faith* and *righteousness* have indeed become the *antidote* for this hour of distress.

¹⁴And the fruits that thy soul lusted after are departed from thee, and all things which were dainty and goodly are departed from thee, and thou shalt find them no more at all (Rev. 18:14).

It was as though the LORD was saying to Japan and Haiti that, 'because thou *believest* not my words, which shall be fulfilled in their season, then the words of Rev 18:14, shall behold your days.' And assuredly, it is the *cruelty* of the *ruthlessness* with which the 2011 Japan earthquake and tsunami struck, that aligned Japan's current condition to Rev 18:14. With all the *sophistication* of the top-notch electronic technology, electronic panels for aircraft manufacture, car manufacture, cellphone industry, medical industry, telecommunication, aerospace science, name it, the nation of Japan had indeed accumulated for herself all the *dainty* and *goodly* stuff for a comfortable earthly living. However, because the *mercy* of GOD seemed too far for them to credit, there then befell the humongous March 11, 2011 *earthquake* and *tsunami* that re-wrote the meaning of human *sorrow* and *suffering*. *Faith* in Christ Jesus has now been tested and approved as significantly more valuable than the earthly treasures whose *perishability* has truly been exposed.

Lay not up for yourselves treasures upon earth, where moth and rust doth corrupt, and where thieves break through and steal (Matthew 6:19).

Before the advent of the *pale horseman*, a *righteous* and *holier* living was considered a way of beckoning public *ridicule* and open *mockery*. Coming forth then to torment mankind, the rider of the *pale horse* is now credited with causing people to begin to *fear* for the wounds of *wickedness*, for lest they be cut down by the *judgment* of GOD. But emerging forth from the holy place of GOD, with his *radiant* face shining with the glory, the *pale horseman* now causes mankind to further appreciate the *seriousness* and *gravity* with which JEHOVAH receives the *meek* and *righteous* of this age. Such are the neglected elect of GOD Almighty. It is the reason GOD Almighty decreed that these *horsemen* go out from heaven before him in the *spirit* and *power* of His *commissioning*. If no one was moved even when the global economies *crashed*, how then can the church and the nations claim *outrage* at the release of this *pale horseman* called *death*? The only hope now rests with the *promises* of GOD. The LORD pledged to make streams spring up in the deserts and to graciously lead His people home through the *highway of holiness*. Only this promise remains high as the last minute *optimism* for the church in these dying seconds. Such a *hopefulness* will however only throb in the church when it is channelled through the sufferings of the saints in this dark world, so that *salvation* in its fullest sense is attained.

You deceived me, LORD, and I was deceived; you overpowered me and prevailed. I am ridiculed all day long; everyone mocks me. (Jeremiah 20:7).

Such a meek *salvation* nevertheless, will only come unexpectedly *like a thief*, to the *faithful* ones. A new and more *insidious* threat that looms over mankind is a fact that at the moment of his release, the *warring* crowd in the streets of Cairo were totally oblivious of this *pale horseman's* presence. And so it will be with the coming of the *Messiah* when all will be fully engaged with their personal *chores* and *business* of fending for their lives, only to wake up one morning to realize later that the church has been snatched up by the LORD.

The Interlude

The current interlude flanked by the release of this *fourth horseman* and the *awful* slaying of one quarter of the earth's population, is essentially one of *ferment* and *effervescence*. If events in Libya, the entire Arab world, New Zealand, and Japan are anything to go by, then for sure this is a session of real action. It also becomes the most critical period in the church's calendar since it offers the most prime spot for a complete *transformation* in the house of the LORD. Such a reformation would have to salvage today's body of Christ from the *defiled* church one sees now, into the *glorious* church at the *Marriage Supper* of the Lamb. With the *snatching* away of the righteous church, the Holy Spirit's regime will automatically come to a *cessation* on the earth. Because the church that is lifted up into heaven will have largely devoted themselves to personal *purity* and *preparation* for that final hour, they fundamentally represent the Holy Spirit habitation that is *vanished*. Approximately at that same time is when the *pale horseman* must make significant advances in the *massacre* of those attempting to maintain the testimony of the LORD. Of great importance then, is the *dissipation* of the dispensation of the *GRACE* as the earth ripens up for the great *tribulation* and *judgment* day. There is no compelling reason to doubt that the real *underpinnings* beyond the overwhelming *outrage* of the sighting of the *pale horseman* in the news, is indeed the tragedy that will befall those who will miss the *rapture*. Beyond the *rapture* is a composition of *calamity* and *DEATH*. It is totally *reprehensible* that the present day church should miss the *rapture* given that she has been preached to on the concurrence of the release of the *pale horseman* and the *sighting* of the church in heaven in that July 29, 2009 vision. Tragically, with the release of this *pale horseman*, and the way things are shaping across the globe; the church that is *smug* in her *sinful* stronghold will be humiliated because anytime now the *Marriage* of the Lamb will take place. Yet, as GOD's loyal *vassals*, the *zeal* with which these four *horsemen* have ravaged the earth, only points at a serious *prophetic quickening* in heaven. The *edge* has now become those christians who are gifted with the powerful spiritual *intellect* and *capability* of grasping that upon the breaking of the fifth *seal*, testifying Christ equals *beheading*. This is what might allocate today's *interlude* as a prime spot for *evangelism* and preparing the way of the LORD. Other than wait to witness how the christian *faith* will *crumble* under the blows of a *resurgent evil* of *lawlessness*, today's believers must now prepare their *apparel* for heaven. The time to plead for a *righteous preparedness* is now during this critical *interlude* before *rapture*. The message has much to do with the *temple* of GOD which is the church, and *sacrifice* of worship. For as long as the church is present here on earth, she will always be eligible to *worship* and *testify* Christ. This is owing to the fact that she is bound to offer priestly *ministration* to the heathen. *Heart-rending* and *hope-crushing* mutilation of *worship* of the kind being foretold in the *great tribulation*, can therefore only imply a *post-rapture* session. These repetitions of *warning* have an unforgettable hammering effect that the fourth *seal* is the final and terminal one right before the *Messiah* takes the church away. The proposed suppression of *worship* of the kind that the *great tribulation* fronts, virtually constitute the practical taking away of the word. But that is also very consistent with the onset of the image that will be set up in the house to cause an *abomination* of the *desolation*. Zero *worship* signifies an utter *desolation* in the sanctuary of GOD. The mere presence of the church on the earth, is testimony unto Christ Jesus as Saviour. Therefore, it is no surprise that in this vision, the LORD presented the release of the rider of the *pale horse* concurrently with the *gathering* of the church, hence uniquely focusing on the close proximity of the two events, on the *timeline*. Central to this, is the *unfolding* of GOD's *saving purposes* in the entire history of the world—from the time in which He presented Christ on the *Cross*, to the *culmination* of this grand design of *REDEMPTION*.

And Hades (Hell) Follows Closeby

The *pale horseman's* release on that February 2, 2011, only further deepened and formally *crystalized* the profound human *creed* in the existence of *HELL*, the dominion of the wicked *DEAD*. This is paramount owing to the *lonely* relationship that this *angel of DEATH* maintains with the ascetic *gloom* and *doom* of *HADES*.

⁸And I looked, and behold a pale horse: and his name that sat on him was Death, and **Hell followed with him**. And power was given unto them over the fourth part of the earth, to kill with sword, and with hunger, and with death, and with the beasts of the earth (Rev 6:8).

In a nutshell, *HADES* without a doubt, presents the *trepidation* and *manifestation* of that dreaded *dominion* of solitude in *HELL*. Mankind can here be shrunk at the *suspicion*, *unbelief*, *impurity*, *misery*, *impunity*, *despair*, *sadness*, and *dejection*, that become well-nigh-all-pervading in this state of *judgment* that strikes the *disobedient*. *Fire* and *worms* have indeed never ceased to designate *HADES*. By the burden of his mission therefore, this *horseman* of *DEATH* unmistakably affirms the *immortality* of the *soul* and the existence of *life* beyond the earthly *realm*. In closely relating to *HADES*, this *angel of DEATH* today trumpets a stern warning to the *wicked* since an eternal punishment awaits them in *HELL*. Whilst the bible decrees that 'no eye has seen, no ear has heard and no mind has imagined what GOD has prepared for those who love him,' this *pale horseman* of the *apocalypse* contrarily displays what awaits those who *disobey* GOD. Simply going by the *tempest* and mayhem of *bloodbath*, *pain*, *agony* and *mourning* that the *pale horse* has initiated today in Libya, Yemen, Syria, name it, it is possible to clearly envisage the agony that awaits the *unrighteous* in *HELL*. Likewise as *HADES betokens* the Hebrew word for *sheol*, *sheol* in itself is considered to be *HELL*. The release of this *pale horseman* of the *apocalypse*, verily confirms that a life of *sin* and *iniquity* inevitably makes *HELL* unavoidable. On the other hand, the absence of *HELL* in this evil *duo* would have served reckless *injustice*, because it would be to *concede* the same

end for both the *righteous* who *forgo* the *enjoyments* and *luxuries* of this life, for the stern discipline of *holiness*, and the *wicked*. During his release, this *angel of DEATH* purely *testified* that even as the kingdom of *heaven* draws nearer, the faithful *believer* cannot however afford to forget that the *underworld* kingdom of *darkness* too, stands to realize (Num 16:30). If divine good presupposes *forgiveness* and *conciliation*, then by all standards, this *pale horseman* indeed acclaims the *continuity* and *transposition* of earthly *vices* and *errors* into the immortal *realm*, as the due consequence of an *unrepentant* heart. Although a *repentant* and *holy* life does not exempt from *temptation*, it however so far as possible closes every avenue by which *satan* could enter and *assail* the *soul*. That is the only way by which *righteous* believers are counted *foolproof* to the deathly *perils* of this *angel of DEATH*. The inevitability of the BLOOD of the Lamb of GOD as the life-saving *power* at the door posts of the *hearts* of faithful *believers*, cannot be taken for granted anymore at this hour. Attesting to His wielding of this *power*, were the words 'I AM the *resurrection* and the *life*. Those who believe in me even though they die like everyone else, will live again. . . (John 11:25-26). With these words, the LORD Jesus Himself inscribed GOD's *seal of victory* over *death*, on the *salvation* of mankind.

¹⁹Thy dead men shall live, together with my dead body shall they arise. Awake and sing, ye that dwell in dust: for thy dew is as the dew of herbs, and the earth shall cast out the dead. ²⁰Come, my people, enter thou into thy chambers, and shut thy doors about thee: hide thyself as it were for a little moment, until the indignation be overpast. ²¹For, behold, the LORD cometh out of his place to punish the inhabitants of the earth for their iniquity: the earth also shall disclose her blood, and shall no more cover her slain (Isaiah 26:19-21).

Dedicated to the LORD as a Nazarite from birth, Christians make the *vow* of their own in a life-long *consecration* of *holiness*. Their dress is that of the ancient *righteousness*, and separated from the *excesses* of this world as the camel's hair that the voice in the wilderness wore. Just as the voice that clamoured for *repentance* in the wilderness eat locusts and wild honey, so does today's body of Christ require that original *unadulterated* spiritual locusts and honey. And because even the voice that proclaimed His *way* also required a drink of pure water from the hills, today's church too *thirsts* for that clear fresh *Dew* from the throne of GOD. This is the *Dew* of *joy* that turns the hearts of the fathers to the children, and the *disobedient* to the *wisdom* of GOD to make ready a people prepared for the LORD. More than before, it is now evident that it is the fresh *morning Dew* of this hour that mitigates on the *evil* and *cruelty* of the *pale horseman* and his companion. There would be no better way to preach Christ Jesus as the *resurrection* and the *life*, than to release this *pale horseman* of *DEATH* into the earthly realm. The LORD Jesus himself spent quite a significant portion of His *ministration* dwelling on *hell* and *punishment* for *heedlessness*. Now that the agency of *DEATH* has been revealed right in the face of the human realm, then *inescapably* everyone on the earth is keenly watching the unfolding of events. For those *enlightened* by the fresh *Dew* of this hour, a *vision* indeed illuminates those *rooms* that Jesus went to *prepare* for them as the realistic alternative to these *marauding HADES*. Embedded in the enlightenment of these *anointed holy elect*, is the grand gathering in the clouds that would deliver them into the *marriage supper* of the Lamb. The *righteous* believers of this hour do still experience *joy* unspeakable, even within the backdrop of the current *tempest* of the *trampling* of the nations by the *pale horseman*. With *awed* yet *exultant* spirit, these *holy elect* search in the prophetic *scrolls* of revelation on the *Messiah's* coming, and locate the promised *SEED* that *bruised* the *serpents* head, as their only *Peace-Giver* whose advent is *nigh!* This *angel of DEATH* is *echoing* that if *HELL* is following him closeby, then there must also be *heaven*, and the choice is in the *heart* of the beholder. The Almighty's *rapt* portrayals of this malevolent *horseman* were His study of the evil world and that judging with *equity* for the *meekest* of the earth, would serve a *covert*ness for those *righteous* saints. From time to time, this is how the Holy Spirit has always promised to safeguard GOD's elect from the *tempest* and *shadow* of this agency of *DEATH*. Having been rendered *desolate* by the world, the hearts of today's lonely *meekest* believers must have been indeed filled with the glorious vision of *rapture*, and hope when they saw this *pale horseman* released. To them one thing rang out, that no longer would they be termed *forsaken* nor declared *desolate* by the world's standards anymore. And that this was a signal that their Redeemer's coming has now drawn much closer. As this *fourth horseman* beheld the *impunity* of his mission, GOD's delight must have rested on the fact that from that day on, nobody would ever again afford to ignore His message on the *momentous* return of Christ, and more critically so, the signs of the times. Millions upon millions of the inhabitants of the earth, who witnessed this *fourth horseman* crystalize right within their news, were drawn to ask of him "*who art thou?*" This question became the great object of their hope, especially that every answer to *who art thou?* would directly point at the biblical signs of the coming *Messiah*. Upon being led to the holy bible on the matter of the identity of this *horseman*, then many nations were compelled to ask the second order question, "*Art thou then the ghost horseman of death?*" Emanating from this, a global discourse on Christ's return, has now ensued. The unfolding events in Libya, Yemen, Syria, Tunisia, Saudi Arabia, Bahrain, Morocco, Algeria, Egypt, Jordan, Cote D'ivoire, indeed attest to the *pale horseman's* squelch.
